LUXELL

Built-in Kitchen Appliances

As a result of its 50 years of experience and expertise, Kumtel & Luxell has focused on responding to the needs of different customers in different geographical points of the world in the best way with the slogan "Cooking and Warming is Our Job". It carries out its R&D studies with this aim.

Our main goal is to add value to nations that carry our brands through local domestic production. Once we set our goal, our company has grown into an enormous incorporated industrial innovation. We are constantly involving new technology into our manufacturing facilities, as well as structuring our production activities in an environmentally responsible manner.
